The question is, “Are you tuned in to the right frequency?” This is a 7 session, DVD based study where you will learn how to dull the constant noises and distractions of life and focus on the voice you long to hear.

Lies Women Believe by Nancy Leigh DeMoss

Meets 1st & 3rd Thursday in Hartland at 11:30 am

"Many women live under a cloud of personal guilt and condemnation," says Nancy DeMoss Wolgemuth. "Many are in bondage to their past. Others are gripped by fear of rejection and a longing for approval. Still others are emotional prisoners."

This author exposes those areas of deception most commonly believed by Christian women—lies about God, sin, priorities, marriage and family, emotions, and more. She then sheds light on how we can be delivered from bondage and set free to walk in God's grace, forgiveness, and abundant life. Nancy offers the most effective weapon to counter and overcome Satan's deceptions: God's truth!

Loved and Sent by Jeff Cloeter

Meets 1st & 3rd Thursdays at 6:00 pm

You are loved more than you can imagine and sent with more purpose than you thought. I've come to know who I am in two words. They guide everything that I believe, think, and do. I am *loved* by God in Jesus. I am *sent* by God into the world.

Loved and Sent describes how God took extraordinary action to address those two fundamental human needs. This book walks the reader through their own quest for identity and meaning, revisiting core Christian convictions in a narrative style and making sense of why they matter today. As Christians, we often stutter when someone asks: Who are you? What do you believe? Why does it matter to you?
