

**Shepherd of the Hills**  
**Ministry Volunteer Opportunities**  
September 22, 2018

*Upon signing the Covenant, I realize I am committing to serve.*

Below are opportunities for you to volunteer at Shepherd. If you see an area of ministry you would like to be involved in, please check that area. Once you select your area of interest, that information will be given to the head of that Ministry. They will talk with you about the responsibilities in that area and when it would be convenient for you to begin serving.

If you do not see something that is of interest to you or that you have a passion for, please note that and we will get a more extensive list of opportunities to you. We look forward to serving with you.

**YOUTH MINISTRY** – Middle School through High School

The mission statement for youth ministry at Shepherd is, “**To draw and inspire youth to realize their significance through their relationship with Christ.**” In the middle school years our mission statement is primarily accomplished through confirmation classes and nightly home huddles, which bring together youth and parents to grow as disciples of Christ. In addition to the weekly classes we also have a week long Confirmation Camp in the summer where students study the Old and New Testaments as well as the life of Christ. Confirmation Camp is held at Camp Lakotah in Wautoma, WI.

As students transition to high school they will have many opportunities to participate in the life of the congregation. We also seek to put our faith into action on our Summer Mission Trip. The summer of 2018 we served in Ripley, TN. In July 2019 we will be going to Worthington, MN.

The adult leaders at Shepherd make the ministry happen! We are extremely blessed by so many adults who love Jesus and love kids and are willing to serve. This past year there were over 60 adult leaders involved in some aspect of the ministry! If you would like to learn more about this ministry and how you might use your gifts to serve, we would love to talk with you. The first step would be to meet with Chad or one of the other ministry leaders and start to build a relationship. Then we can find out what your gifts and talents are and let you know how your gifts could serve the youth ministry! Indicate below if you have an interest in learning more and Chad will contact you!
