

Family Mission Trip June 15-22, 2019

LIVE A WEEK OF HOPE!

Join us in Mexico for a one-week trip that will change your life. Stretch yourself as you experience God's love in new ways serving the children at the orphanage, worship with the people of Puebla, work on important projects and tour the historical city. God loves the little ones to come to him, but it first requires people like you to come to the little ones. Come to serve and to be served!
