

Current Kidz Konnection Series: *January 13th - March 17th*

"Chemical Reactions"

This series covers the character qualities found in 2 Peter 1:5-7. The children will learn about the qualities of faith, goodness, knowledge, self-control, patience, service for God, kindness, and love. This curriculum will show the children examples of people in the Bible who demonstrated these characteristics and will help the children apply these traits to their own lives.
