Ephesians (by Dr. Bill Creasy)

Study the book of Ephesians along with Logo’s Bible Study on Audible. This in depth commentary will include small group discussion about the themes of the book including Paul’s thesis on being “saved by grace through faith”. Creasy includes context and history allowing for greater understanding about Paul’s letter.

Creation vs. Evolution (Seegert)

Compatible or in Conflict?

Is there *real* evidence for either side in the creation-evolution controversy? And does it really even matter if you’re a Christian? Whatever your stance on this issue, you will find *Creation & Evolution* to be both interesting and easy to understand. Presenting the best information on both sides of the debate, the book takes you on a fascinating discovery of the issues and their relevance to Christianity today. With an engaging style, diverse points, and numerous quotes of interest, the book is a fast-track guide to understanding why God is found in the details of this critical debate.

Inductive Study

What is an Inductive Study?

Inductive Bible study is an approach to God’s Word focusing on three basic steps that move from a general overview to specifics.

The steps are:

- + Observation (what does it say?)
- + Interpretation (what does it mean?)
- + Application (what does it mean for my life?)

The Call (by Adam Hamilton)

The Life and Message of the Apostle Paul

Follow the journeys of Paul, beginning with his dramatic conversion, as he spread the Gospel through modern-day Greece and Turkey. Travel to the early church sites and explore Paul's conversations with the Romans, Corinthians, Galatians, Ephesians, Philippians, Colossians, and Thessalonians. In this six-week study, you are invited to experience faith through Christ's greatest teacher and missionary.

This six-session DVD features Hamilton on location in modern-day Greece and Turkey, guiding us through a six-week Bible study tracing the travels and teachings of Paul.
