God Loves Moms (by Hergenrader)

The women we read about in God's Word were just regular women - like us. And they had the same insecurities and vulnerabilities that we all feel. This study digs deep into the stories of thirteen biblical women for a fresh look at how God reveals His grace through Christ for you.

The Armor of God (by Priscilla Shirer)

All day, every day, an invisible war rages around you. A cunning, devilish enemy seeks to wreak havoc on everything that matters to you - your emotions, your mind, your family, your future. But...when the enemy meets a woman dressed for the occasion, he fails miserably. Join Priscilla Shirer in a Bible study that will challenge you to suit up, stand firm, and secure victory in your life.

Numbers: Learning Contentment in a Culture of More (by Melissa Spoelstra)

While exploring the book of Numbers, you will compare dissatisfaction with your life circumstances to the grumbling of the Israelites as God leads them out of slavery. Recognize the relationship between complaining and worry and while discovering how to realign with God's character and promises in this six week, video based study.
