Study Descriptions

Ephesians (by Living Way)

Dig deep into Ephesians with this 13 week, Living Way Bible Study written by LCMS pastors. Reflect on Paul's writings from a Roman prison, personally applying his story and guidance to modern day situations.

What is an Inductive Study?

Inductive Bible study is an approach to God's Word focusing on three basic steps that move from a general overview to specifics. The steps are:

- Observation (what does it say?)
- Interpretation (what does it mean?)
- Application (what does it mean for my life?)

Relat(able) (by Giglio)

Discover how to change perspective, be at peace in conflict and to restore relationships that seem beyond repair in this six week, video based study. Explore the fundamentals of what makes us relate to others.

Philippians (by Living Way)

Discover what it really means to be a "saint" in Jesus Christ in this 12 week study. Learn how we can have "joy" in the Lord, not because of the efforts we have made, but because of the efforts God has made for us. Living Way Bible Studies include commentary written by LCMS pastors.

Anxious for Nothing (by Lucado)

This is a 12 week study of Paul's letter to the Romans. Themes point readers to Jesus through these ideas: 1) all people are in need of a relationship with God; 2) God has prepared for that relationship through His own sacrifice; 3) faith is the requirement of that relationship; 4) forgiveness is available from God for anyone.

1 Samuel - Putting God First (Christianity Today)

Meet Samuel, Saul, David and Hannah and learn more about yourself through their stories in this 7 session, Christianity Today study. Topics include Trusting God with Unmet Desires, Looking for Open Doors, Forgiving Those Who Have Broken Your Trust and more.

Gods at War: *Defeating the Idols That Battle for Your Heart* (Kyle Idelman)

This is a six week, video based study that uses personal documentary style stories. Idelman brings attention to modern day Christians and their struggles with the idols of love, money, power and pleasure. Discover victory in God's war for your heart.

Philippians/Colossians

Experiencing the Joy of Knowing Christ (Christianity 101)

Explore the letters written by Paul from prison with the joy of the Lord pouring out of him in the midst of his suffering in this 13 week study. Learn to apply the same joy and gladness to your own life as you encounter difficult circumstances.

Discerning the Voice of God:
How to Recognize When God Speaks
(Priscilla Shirer)

Through 14 chapters, discover the root to clear and daily communication with God - humble obedience. Learn how surrender unlocks His many blessings intended for us, centers us in His will, and helps us discern His voice in everyday life.
