classes resume...  
September 15, 2019 - May 17, 2020*

*Topics to be covered...*

*What's Bugging You?:* This curriculum provides the children an understanding of why they were created and explains the five Biblical purposes for their life: Evangelism, Fellowship, Discipleship, Service and Worship.

*Christmas Lessons:* The children will learn about the events surrounding the birth of Jesus and the hope He brought into the world.

*Parables—Pair O' Bulls:* Lessons center on Jesus' parables, which are earthly stories with a heavenly meaning.

*Easter Lessons:* The children will hear about the key events leading up to Jesus' death and resurrection.

*Loosen the Fear Knot:* These lessons teach children that God can help them loosen the "fear knot" inside them. Children will learn how God is with them as they explore different fears (snakes, the dark, heights, spiders, bullies, scary movies, and strangers) and learn action steps for each.
