I Want It All: Exchanging Your Average Life for Deeper Faith, Greater Power and More Impact

(by Gwen Smith)

The author uses personal stories and biblical truths to draw you closer to Jesus and all He has for you. While you may feel ordinary and dismiss thoughts of God's big plans for your life, Smith ignites a fire within her readers to live a fuller life full of God's abundant joy, courage and influence in a relatable, down to earth way.

The Gospel of John (by Living Way)

Thank God for the Gospel of John. It preserves and teaches the story of Jesus with tremendous clarity and force. Often using simple words John conveys complex truths.

"God so loved the world that he sent His only Son that whoever believes in Him shall not perish but have eternal life." John 3:16

That simple so-called "Gospel in a nutshell" summarizes the Christian faith well. It leaves us pondering the relationship of the Father and the Son, the uniqueness of Jesus, the meaning of faith, the threat of judgment, the blessing of eternal life and the mystery of God's love.
