The Gospel of John (by Living Way)

Thank God for the Gospel of John. It preserves and teaches the story of Jesus with tremendous clarity and force. Often using simple words John conveys complex truths.

“God so loved the world that he sent His only Son that whoever believes in Him shall not perish but have eternal life.” John 3:16

Often called the “Gospel in a nutshell”, John summarizes the Christian faith well.

It preserves and teaches the story of Jesus and all He has for you.

John uses simple words to convey complex truths.

James (by Francis Chan)

The book of James speaks to the realities of living out a life that reflects faith in Jesus Christ.

Unpack this dense truth in this video based, 12-week study.
